

MORE CONTROL THAN EVER WHEN BUILDING CHALLENGES

New admin portal tools designed to give you full visibility at every step.

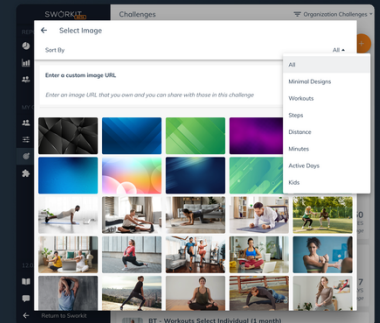

Admins Only

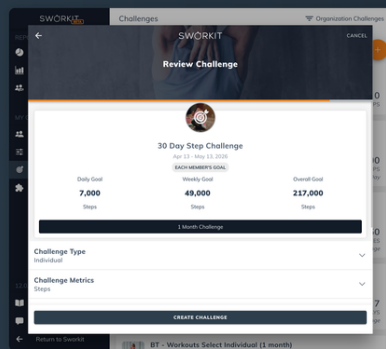

Challenge cards now show who the challenge is for and the challenge goal at a glance

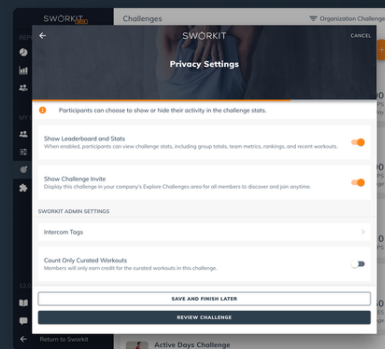

Choose from a variety of new challenge templates to get started faster

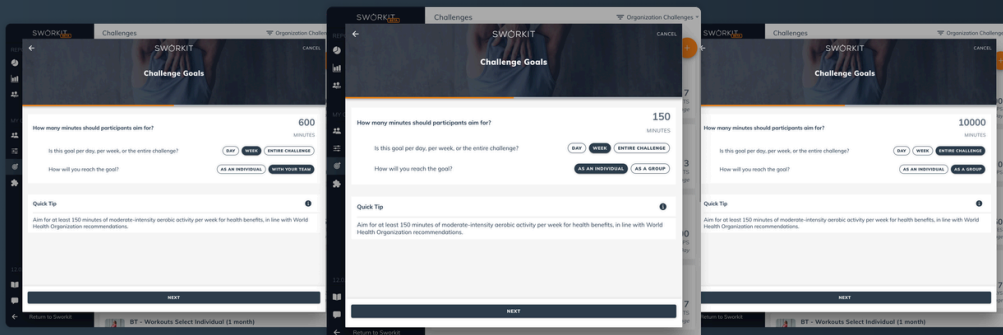

Fresh background images with a smart dropdown to match your challenge type

Review your full challenge setup before publishing

Simplified privacy settings with a single toggle

Define your challenge goal by day, week, or the full duration of challenge. Set whether it applies to the individual, team, or group, with helpful starting point tips included.

Start building a challenge in the admin portal with the latest 12.0.1 app update.
